**Details:**

The Considerate Constructors Scheme is a national initiative, set up by the construction industry, to improve its image.

This seminar by Michael Worrall FCIQB,MRICS of Considerate Constructors, will explore the relevance and numerous benefits to be accrued by becoming a "Considerate Constructor".

With an increasing number of leading names within the construction sector on Jersey electing to adopt the Scheme, as well as an increasing number of leading clientele on the island stipulating membership, this seminar is of considerable importance.
